Introducing International Best Practice

www.internationalbestpractice.com

Welcome

International Best Practice (IBP) is a framework-neutral, independent imprint of best-practice solutions. We source, create and publish guidance which improves business processes and efficiency.

We deliver an ever-expanding range of best-practice guidance and frameworks to over 160 countries worldwide. Our current range includes publications in these subject areas:

- Agile
- Change management
- IT service management
- Project management
- Benefit management
- Business and IT management.

IBP allows us to bring all best practice together in one place. We not only promote IBP titles but also resell a carefully selected range of titles from publishing partners and other publishers to provide you with a one-stop shop for guidance to help improve business processes.

Not only do we offer the latest best practice thinking from around the globe in multi-format publications, but also through free white papers, blogs and infographics found within our Knowledge Base.

Our pedigree

International Best Practice is brought to you by TSO (The Stationery Office), one of the largest publishers by volume in the UK, publishing more than 9,000 titles a year in print and digital formats including PDF, ebooks and mobile apps.

We publish titles in 14 languages, and have sales and distribution agents in over 50 countries worldwide. Our titles are available through over 80 distribution partners, such as Amazon.com, Bernan (USA), Libri (Germany), Waterstones (UK), China National Publications Import & Export Corporation, Co Info (Australia), Renouf (Canada) and EBSCO (Global).

TSO has a long history of working with best-practice guidance. We have published, promoted and sold ITIL® and PRINCE2® for over 30 years.

Our partners

With IBP's heritage, global reach and multi-format publications we are uniquely placed to offer our partners a great distribution network, established sales channels, product development expertise and cost-effective print procurement.

We are proud to be the official publishing partner for a number of big names including: AXELOS, APMG International, itSMF, Change Management Institute (CMI). We are always on the look out for new organizations and individuals we can work with to bring best-practice guidance to a wider audience.

Get involved

We want to bring new and exciting areas of best practice to the international market, but we can't do this alone.

If you are an organization, author, distributor or thought leader and want to find out how you can get involved, here's how you can contact us:
